Academic Report

What a busy week we have had! We are remembering how to predict, change our predictions, look at word families and read the sight words. We worked on beginning sounds, building lists with words that start with those sounds, and rhyming. We have worked on how every story has a problem and a solution. A story also has characters, setting, author and an illustrator.

In Math, we continue to work on addition sentences. We have learned that the answer to an addition problem is called a sum. We discussed how we can read math sentences just like sentences in our books! Math has vocabulary words to learn as well. The vocabulary words: sum, plus and equals have been added to our daily discussions. Next week we will begin working on subtraction.

In our journals, we are adding details and writing about what we know. We watch to make sure that our sentences have a capital letter at the beginning and a punctuation mark at the end.

Handwriting has also been slipped in numerous times throughout the week. We have worked with: e, o, g, a, c and d.

Upcoming Events

Classroom Wish List
We are in need of:
Kleenex
Clorox Wipes
Small and Large Ziploc Bags
If you are willing to send in any of the above items, we would LOVE IT!!!!

Drop off and Pick up Procedures:

Don't forget to use the drop off/pick up lane before school. FYI the doors on Center St. will be unlocked from 8:50-9:00 for drop off. Please use the pick up lane after school. (It is really moving along now!) Thanks for your cooperation on this.

Info, reminders and updates...oh my!

Homework goes home on Fridays and is due on Mondays. Start cutting those box tops and sending them in! Remember to keep toys and makeup at home, we don't want to loose them! Snack time-healthy snack and water only. THANKS!
