- October 8th-Marvin and Jessie
- October 10th-Fire Prevention Day
- October 11th-Progress Reports go home
- October 23rd-Picture Day-SMILE
- October 31st -Halloween Parade
- November conferences

## Wish List

We are in need of kleenex and Clorox wipes. If you can send in any of these items, we would appreciate it.

## Academic Report...

This week brought us to the double consonant and ending sounds. (ex. doll). We broke down words to hear each of the sounds and put them back together.

Onto another unit in math! We will still be working with addition and subtraction but we are adding in measurement. Each student will be given non-standardized units of measurement. Everyday we will measure items that are shorter or longer than the object we are measuring with. As we continue to move forward with addition and subtraction we practice taking apart the numbers 7, 8, 9, and 10. (ex.  $5+2=7$ ,  $6+1=7$ , etc).

In Writing, we have focused on spacing. We revise our work by looking to see if we put spacing in between our words. We also look to see if we started our sentence with a Capital letter. The students are in the middle of the writing process using a topic of their choice!

Science and Social Studies  
We will start next week! Mrs. Morse teaches Social Studies and Mrs. Smith teaches Science. Every week your child will get the opportunity to participate in each of these activities.

REMEMBER TO SEND IN  
HEALTHY SNACKS  
WITH YOUR KIDS!

Don't forget to look at your child's purple folder everyday. If there are papers on the return to school side, please see that they are completed and returned.

## Spelling Words/Word Wall Words!

at

up

Keep practicing the spelling words. We will be having spelling tests at the end of each week.

him

all

Don't forget...

- Coats, gloves, and scarves for those cold days
- If you have extra Kleenex and want to donate...we would LOVE IT!
- Costume Parade will be 10/31

Homework Reminder:

Homework comes home on Friday. It needs to be returned on Monday.

### Fire Prevention Week

Next week, we will be having a fire prevention assembly! South Haven Fire Department will be visiting our classroom to talk to us about fire safety.

Marvin and Jessie

Please save the date for October 29th! We will be singing an empathy song for the Marvin and Jessie assembly.
